

## OPS-C computer 10th Gen U

### The product features

- ◆ Comet Lake-U 10th Gen Intel®Core™ i5 i7 processor is supported
- ◆ Support wireless network mobile hot spot function
- ◆ Displays DP /HDMI support for synchronization. Asynchronous dual display
- ◆ Support no disk to start the power on the boot time boot
- ◆ BIOS supports one-button backup and restore system function
- ◆ Hardware support one key restore system function

### Specification

Parameter	CPU	10th Gen Intel®Core™ i3 i5 i7 processor		
	Memory	DDR4 2400MHz memory Max 32GB		
	Storage	Built-in 1*M.2 PCIE interface supports NVME and SATA double protocol; 1*MSATA adaptive hard disk interface		
	GPU	Intel® UHD Graphics 620		
	Display	HDMI/DP Support synchronous and asynchronous dual display		
	Network	LAN	Intel I219 10/100/1000M adaptation	
		WIFI	Built-in 1*M.2 expansion slot, support WiFi(2.4GHz+5GHz)+BT4.2	
I/O	Audio	Realtek ALC887 hd audio 5.1 channel		
	Switch panel interface	1*HDMI 1*DP 1*Type-C 5*USB3.0 1*USB2.0 1* LAN 1*POWER 1* Reset; 1*line out+mic		
Power	Input	19V4.7A or 12V5A		
Size	Host (mm)	The bare: 195*180*30mm	Packing cases: 265*226*90mm	
	Weight (Kg)	Net weight≈1Kg	Gross weight≈1.2Kg	
Temperature & Humidity	Working temperature	0°C~ 45°C		
	Storage temperature	-40°C~ 80°C		
	Working humidity	10% - 95% @40°C No condensation		
OS	Supported OS	Windows 7/8/10, Linux
